8th Edition

Everyone at Maple Ridge welcomes you to read the latest newsletter edition! We hope that everyone has enjoyed the summer months as much as we have. Not only did we get to enjoy the nice weather but we had plenty of events and occasions organised for us that meant we had lots to do!

We have been on our annual residents' holiday to the Trossachs National Park near Stirling, we have been on a Day Trip to Landmark with our friends from the Social Club, went to Belladrum Tartan Heart Festival, Celebrated birthdays with our friends and also been on a weekend trip to Badaguish with the Falcon Club to name but a few of things that we have done!! Although the summer has come to an end, we are still enjoying keeping busy as our placements have started again at College, Drama, Floral Hall etc with some of our friends at Maple Ridge starting new jobs.

Please enjoy our newsletter and reading about the all the activities and events that we have been doing.
