

The summer did end with some sad news for Michael and Christine. The Aquadome Café where they worked every week closed for the last time. Christine and Michael were sad to see the end of their placement. The good news is that Michael and Christine have now found new placements that they both enjoy very much. Michael now works at the RED PEPPER CAFÉ and Christine now has a placement at the COBBS CAFÉ in the Floral Hall.

For John, Stacey, Simon and Alison, the new Autumn season has seen the return of College which they thoroughly enjoy. Mary continues to enjoy her British Heart Foundation Placement and Carol & Michael have continued to ensure that we have nice plants by working hard at the Floral Hall.

We very much hope that you have enjoyed reading and seeing what we have been doing. We look forward to sharing more of our fun and activities with you in the next newsletter.

THANK YOU.

Last words from Ruth:-

I hope that you are all well. I look forward to seeing you soon. After the success of last years Mulled Wine & Mince Pie Open Day we are looking forward to holding another Mulled Wine open day on the 8th Dec. This date is just provisional but I will confirm the date with you all nearer the time.
