

As the last edition of the Newsletter was being sent out we were excitedly waiting to go on our Annual Holiday with staff from Maple Ridge.

For our annual holiday this year we had chosen to go to the Port of Menteith near Stirling. We stayed in a beautiful Coach House that had lovely views of the Trossachs' National Park and the Lake of Menteith and was in close distance to all of the places we hoped to visit and see while on our holiday.

This is our lovely coach house that we stayed in.

Michael, Ian, Stacey and John were very excited about the holiday.
