

While we were on holiday we chose to go to different places each day such as Edinburgh Zoo, Stirling, and a local town called Callander.. Our favourite place that we visited was Edinburgh Zoo, where we got to see the Pandas and all the other wildlife that is there to. We were lucky to see the panda's roaming about in their huge enclosures and enjoying their bamboo and sunshine, as well as seeing all the other types of animals that they had at the zoo.

Not only did we have a great time at the zoo but we also went on some lovely walks near to the Coach House. The Lake of Menteith was right on our doorstep. In the evening, some of us chose to go for walk. We saw some lovely sunsets and we also got to practice pulling some funny poses for the camera! Michael enjoyed practicing to be the next James Bond 007!! Some of us were happy to sit in the shaded areas and watch the poses being pulled. There was lots of monkey-ing around going on. Carol saw a car she really liked!!
