

The summer also saw our friends and us enjoy a day trip to Landmark. This outing was organised for us by the staff that help with our Social Club. A bus was hired for all of us to travel down to Landmark together. We all had fun chit chatting and socialising with our friends. It was a great day out!!

After the fun of the Holiday and Landmark, some of us chose to go to a Festival in Beaulieu. We very much enjoyed going to the Belladrum Tartan Heart Festival at the end of August which ended our summer holidays from our placements nicely. We had a brilliant time and listened to lots of different kinds of music. We went kitted out with our wellie boots but it turned out to be a super sunny day!

September marked a very special occasion. We recently enjoyed a party at our social club to celebrate a very special birthday. Our good friend Brian turned 60!! Congratulations Brian!! With help from staff, we held a big party for Brian so that he could spend his special day with all of his friends. Brian got an extra special surprise when he saw his birthday cake!!
