BRIAN!!

Brian was delighted with his birthday cake as it was his favourite football team!!

Willie was delighted that his friend Brian had a good birthday and enjoyed spending the day with Brian listening to Scottish Music. Willie also had a very enjoyable time at "Spirit of the Dance" at Eden Court. Willie was not the only one to enjoy Eden Court!! 16 of us went with him. It was a great show and we were all very tired by the end from all the dancing and the cheering that we did.

September also saw Carol, Ian, Michael, Ann and Richard enjoying going to Badaguish with the Falcon Project for an activity filled weekend.
