9th Edition

Welcome again to the latest edition of the Maple Ridge News Letter. We can't believe how quickly time has passed. However, it also means that we have lots to update you on with what has been happening over the last 6 months, with some very special occasion and lots of activities.

As we left you at the newsletter, the end of autumn had come and winter was fast approaching. That didn't stop us, and we hope you enjoy catching up on what we have all been up to at Maple Ridge. To start our newsletter, we looked forward to Halloween and the party that was organised for us to have at the social club.

With everyone ready for the party it was hoped that there was no unsuspecting residents or staff about who might get a fright when they see this gang!!! Michael ,
