

Royal Wedding Party

Thank you to everyone who attended the street party to celebrate the Royal Wedding. Here are some pictures of the day. We do have an official special addition group shot of everyone which we are selling for our charity. The presentation print 30cm x 10cm with 'FRRRA street party April 29th 2011' is for sale for £3.50. Just email me if you would like one. You can also pop a cheque into 112 for £3.50 made out to FRRRA with your details or pay online with the reference photo and then your house number.

Decorate a Princess was very popular and tasty too !

Nicky had a long queue for face painting and she did a fantastic job ensuring all the children and some adults all got a turn. Thank you.

Food, well ! we did have enough to feed the whole street.

Good to see the chairman, all fit and healthy

And the afternoon finished with a football match of the adults v the children.

Finally a big thank you to Mel for organising the event.

Please consider buying the official photo which will be a nice memento of the day for the future
and all profits will go to charity.

Thank you all for supporting this event.
