Dear Clay,

I am writing this to thank you for your letter, the contents of which I appreciate very much. I have thoroughly enjoyed working with you, and have looked forward to your weekly letters. You need have no anxiety as to whether you have held down your job in a satisfactory way, and I shall look forward to hearing of you, on your return from your next leave, as a DC of a far more important station.

Though Cambell and you are very different types, I have felt that his departure left you a good deal lonely, and that Mankoya will not be the same place again to you. However, your leave papers have gone forward, & you should get away when you have asked for. You will probably be coming in here for Xmas also.

My very best regards, and many thanks for putting your back into your work in the manner you have. I hope we shall meet again some day.

Yours sincerely
G Stokes
