

January 2016 Crime Figures

From Pc 1603 Howard Shinn:

Again a relatively low number of crimes reported and no real pattern of types of crime in any particular location, other than some acquisitive crime in Keyworth and Willoughby. As always please be vigilant, report suspicious activity and take time to look at the security of your houses, outbuildings and vehicles.

I am pleased to announce that it looks like a new Neighbourhood Watch Scheme is being formed in Keyworth, covering the area around Wrights Orchard.

My thanks go to Sam BOOTE and Paul NOONE who are in the process of assisting the co-ordinators of this new scheme in getting it running.

All reports of crime should be made by using the 999 or 101 system to report the incident to the force control room. The beat team monitor all calls to the Police involving our area and we attend those incidents that we need to.
