

Graham Wylie

I moved to Hurworth, from Middlesbrough, 10 years ago after meeting my wife Lynn, who has lived in Hurworth for nearly 21 years. It's been a fantastic place to live with great walks, characters, pubs and amenities; it's a perfect place to call 'my' home. I joined Hurworth Parish Council at the start of 2016 after representing the Strait Lane allotments for a number of years, and becoming Chairman of the Allotment Association a year ago. Joining the Hurworth Parish Council will allow me to make a positive contribution to Hurworth in any way that I can. Having previously being involved with parking issues in

Strait Lane, as well as my work dealing with the allotments. I am always happy to help people, and to help preserve the wonderful community of Hurworth. My main duties include highways, internal review committee, and Chairman of the Allotment Association.
