

Hurworth parish

public walk ways

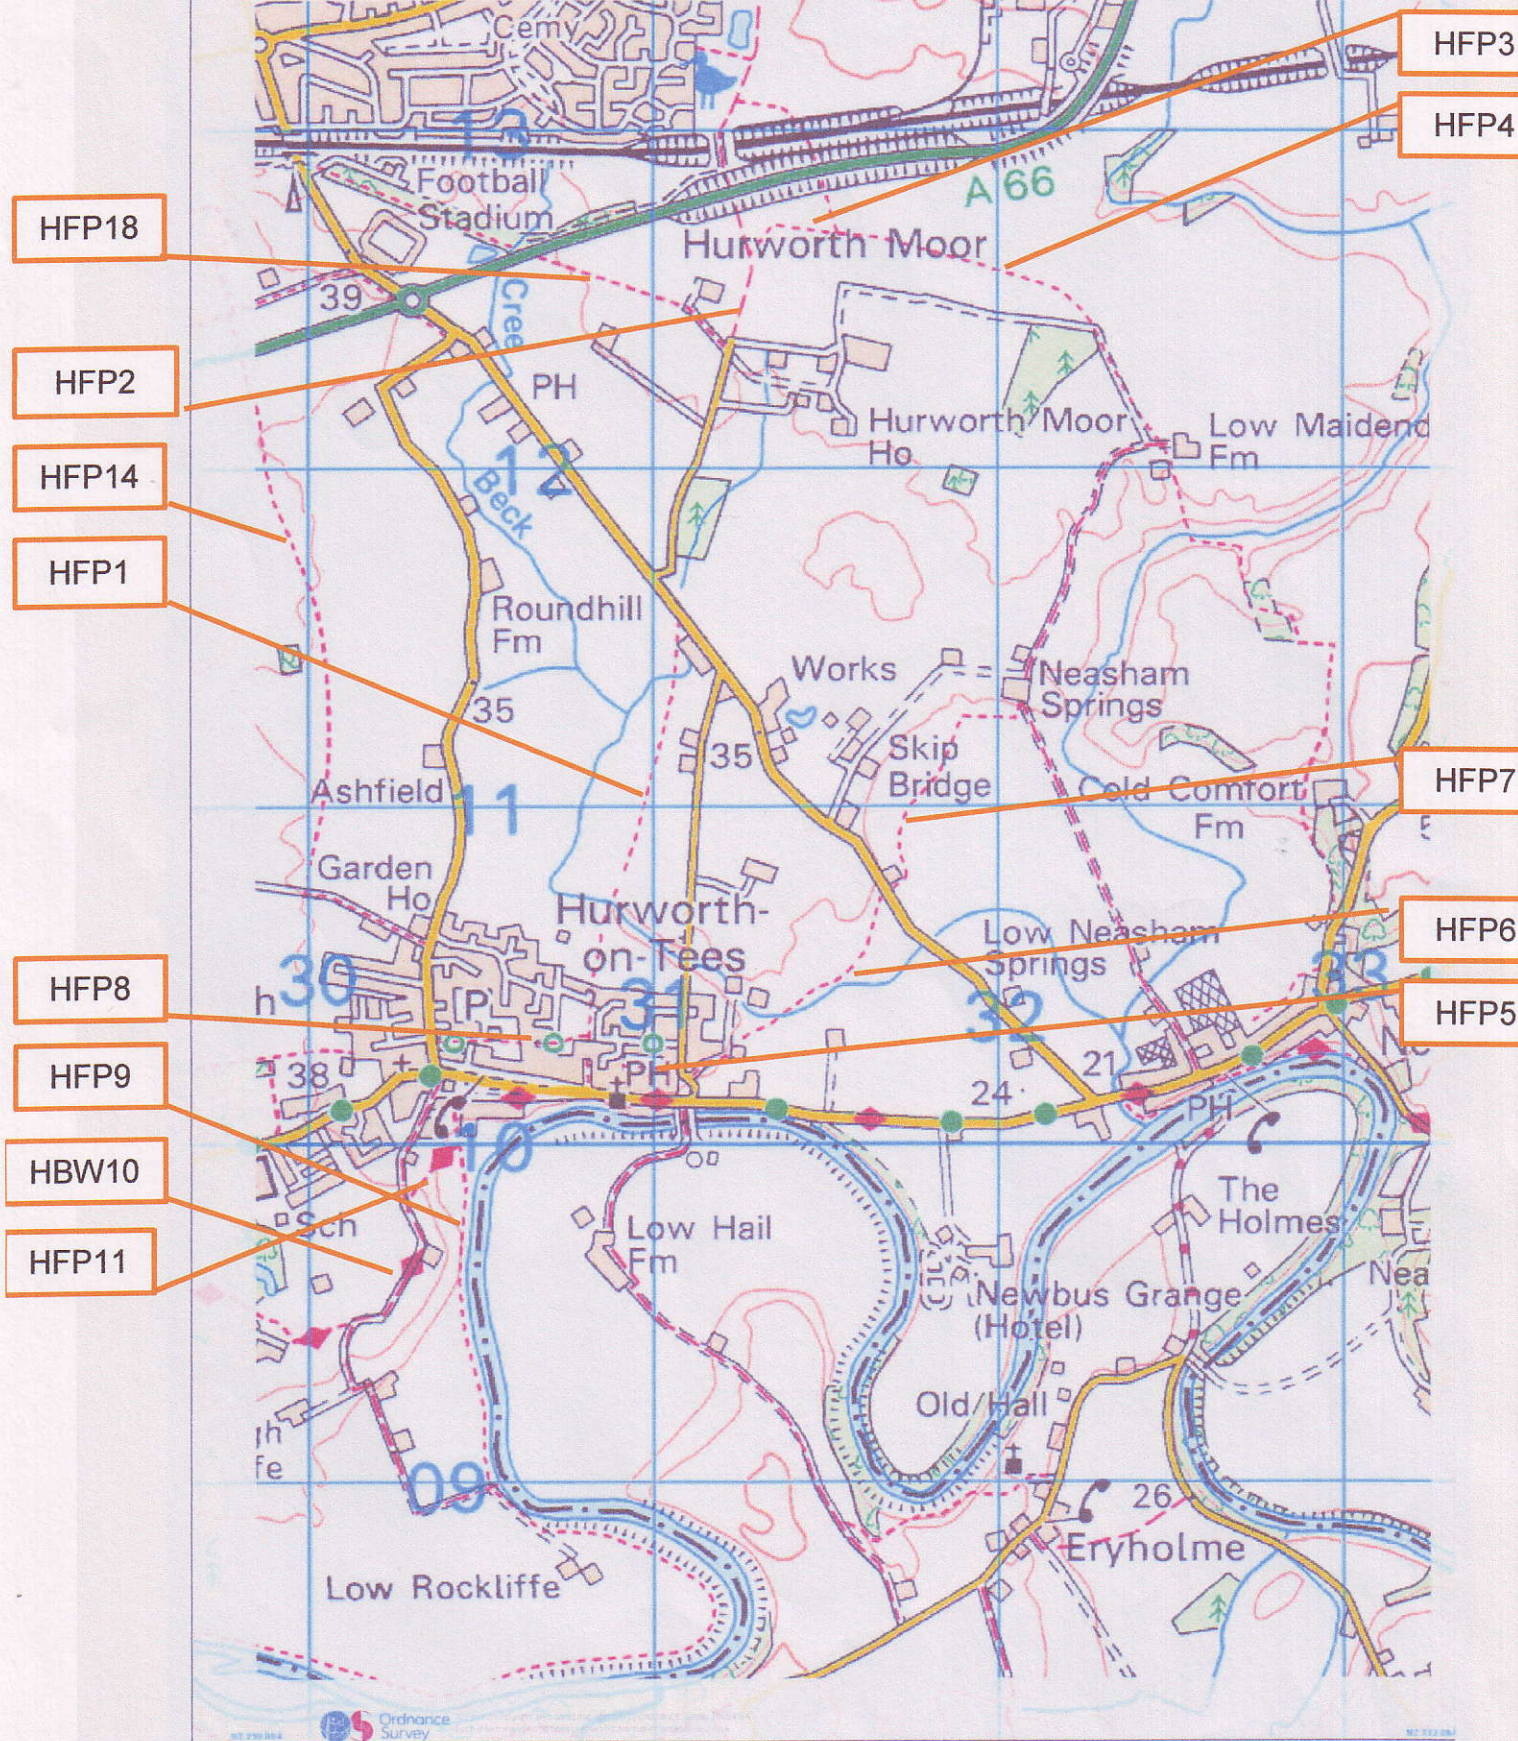

Hurworth has many footpaths that circle and run through our parish, A path that is regularly used without interruption for ten years can be claimed as public. Some paths are permissive, the land owner can and will close them on occasion to keep them private. For example, Rockcliffe Hall has given permission for people to walk the loop of the river tees, but it is not a public right of way and is enjoyed by the generosity and permission of the land owner. It is important that footpaths are frequently used by responsible walkers.
