There were no crimes in the month of April 2014.

There was one anti-social incident, associated with the Youth Club.

John Howard reported that he was aware of a van break in on the Grange Estate. Apparently this was not reported.

Tony Needham reported an incident at Priory Hurworth House School, when one youth left without permission.

John Howard stated that there are still parking problems at the Primary School. The double yellow lines have not yet been installed.

Peter Foster reported that a four-wheel drive vehicle regularly parks on the pavement at the Comprehensive School.

Members of the public reported that there are many instances of speeding on Neasham Road. This is an ongoing problem, with a long history, and the police agreed to raise the subject again, to see whether some remedy is available.

It was agreed that a letter would be sent to Ron Hogg, stressing the residents concern about speeding traffic on Neasham Road. **Action : Parish Clerk**

Speedwatch

John Angus reported that the traffic had been well disciplined during April. 25 vehicles had been monitored, 6 of which were slightly over the limit.

Priorities:-

Speeding and Parking are still the main priorities for Hurworth Parish.
