P26a Modification to Allotment Rules

Passed by the Allotment Committee at their meeting on 19th November 2014

- a. George Lawman proposed and Tony Sayers Seconded the motion that the **maximum number of plots one person can have should be four plots.**
This motion carried, by 8 votes in favour, 2 against with 2 abstentions.
- b. It was agreed **that 'one person' should mean one 'household'**,
incorporating husband and wife or partner.
- c. It was agreed that if a person is offered an allotment but turns it down
because he would prefer to wait until a later date, **then that person should
go to the end of the Waiting List.**
- d. When a referendum type vote is taken, **the rule shall be one person** – one
vote, rather than a person with three allotments having three votes.
