### SAE EXPRESS

**Time pressures, or just want to get a taste of SAE?**
SAE Express short courses are a great place to start. At only R300-00 per hour and usually completed in 4 weeks, or in a couple of days, you can get professional training at times that suit you. Upgrade your skills, gain new expertise or simply see if you would like to study further without making a long term commitment.

Please visit the SAE Cape Town website for the latest offerings: [http://capetown.sae.edu/](http://capetown.sae.edu/)
