* Students must enroll for both courses at once and take both courses consecutively.
All refund policies reflect compliance with specific state law and post-secondary authorization and/or licensing rules for students enrolled on SAE campuses. All refund policies will be printed in the SAE Catalog and on this Enrollment Agreement and reflect state requirements for the campus of enrollment. In all situations, it is SAE’s policy to return all monies paid including the Registration Fee, if the student is denied enrollment by the school, or if any scheduled class start is cancelled for reasons of insufficient enrollment.

A student can be dismissed, at the discretion of the Director, for insufficient progress, nonpayment of costs, and/or failure to comply with SAE rules and regulations.

Students may cancel their enrollment in writing at any time, in which case the following conditions will apply:

A. Applicants who have not visited the school prior to enrollment will have the opportunity to withdraw without penalty within 3 business days following either the regularly scheduled orientation procedures or following a tour of the school facilities and inspection of equipment where training and services are provided.

B. All monies paid by an applicant must be refunded if requested within 7 days after signing an enrollment agreement and making an initial payment.

C. A student who cancels more than 7 days after signing the enrollment agreement but before instruction begins receive all monies returned with the exception of the non-refundable registration fee.

D. Thereafter, a student will be liable for:
   1. the non-refundable registration fee, plus
   2. the cost of any textbooks or supplies accepted, plus
   3. tuition liability as of the student’s last date of physical attendance. If student termination/withdrawal occurs during the first week of the program, the student owes no tuition liability. Thereafter, a pro-rata refund policy will be used in which the student will only be charged for those hours actually offered to the student. “Hours offered” refers to the number of hours offered between the first day of class and the student’s last date of physical attendance.

Notice of cancellation or withdrawal must be requested in writing. Refunds will be made within 45 days after receipt of notice of cancellation. In the event that notification of cancellation is not given, refunds will be made within 45 days of the date of determination of withdrawal. All refunds will be issued to the enrolled student regardless of how tuition was paid (with the exception of any loan or agency payments; in these cases, the refund will be issued to loan company or agency). Any tuition balances remaining on account after withdrawal or termination must be paid in a timely manner or will be subject to collection. Any payment arrangement made to pay such balances may be subject to additional fees and/or interest.
