WEB DESIGN

OVERVIEW

CERTIFICATE SHORT COURSES

WEB DESIGN (BEGINNER)

Course Description

The web has rapidly matured in recent years. Although web design can be learned to some level at home, but to achieve professional status and understand advanced concepts as standards compliance, a course is invaluable.

This course is an introduction to creative design for the internet and technologies that are used for websites.

This course will enable the students to achieve a basic understanding of the principles and practice of professional web design and development. Our aim is to see graduates prepared for their workplace.

Who should take this course?

The Web Design course is intended for everybody who enjoys experimenting with creative design for the internet and who wants to learn how to build their own basic website design.

You would benefit from this course if:

* You want to learn how to create web design and development
* You already have skills in that field but you want to work more efficiently
* You want to develop your visual "eye"
* You are passionate about web design
* You intend to study further in this area.

WEB DESIGN (ADVANCED)

Course Description

The web has rapidly matured in recent years. Basic and static HTML websites are unable to satisfy the growing expectation of the netizens. Dynamic websites with flash animations, rich media and other functionalities are the mainstream now.

This is an advance course to creative design for the internet and technologies.

This course requires the students to be equipped with basic understanding of the principles and practice of web design and will enable them to achieve even more by enhancing their website with animations, rich media and other up-to-date technologies.

Who should take this course?

The Advance Web Design course is intended for those who have completed Basic Web Design course, or those who have basic knowledge of web design* and are looking at advancing their skills to a higher level.

(*submission of previous web design work is required)

You would benefit from this course if:

* You want to learn how to add flash animations into your html website
* You want to create a flash website with navigations
* You want to enhance your basic web design work with advance technologies
* You want to develop your visual "eye"
* You are passionate about web design
* You intend to study further in this area.

1 Definitions

1.1 The following terms are used in this agreement:

i) "Date of Commencement" - the first day on which the program commences, as displayed in the current SAE brochure/fee schedule.

ii) "Course/Program" - the series of classes in which the student is enrolled.

iii) "Application Fee" - the sum of money paid by the student to reserve a place in one of the Institute's advertised programs.

iv) "College/School/Institute" - SAE INSTITUTE PTE LTD ROC 2005 0614 84 t/a SAE Institute and / or its appointed agents.

v) "Student" - the signatory of these terms and conditions.

vi) "Workstation/Studio" - the studios and practical workstations located within the Institute premises.

2 Application & Program Fees

2.1 To secure a place in a scheduled program, the full application fee must be received by the Institute prior to the date of course commencement.

2.2 In the event that the student does not pay the full application fee prior to the date of commencement, his or her program may be cancelled by the Institute, and the place offered to other students.

2.3 Course fees are not transferable to any SAE course, SAE Institute or student.

2.4 The student accepts that the Institute has the right to refuse any enrolment. This decision is at the discretion of the Institute Manager.

2.5 The student hereby acknowledges that they have read and understood the contents of this Agreement prior to making any fee payment(s) to SAE Institute.

2.6 Additional minor charges may be levied by your local Institute. Full details are made available in the local Program Cost and Commencement Dates leaflets.

3 Cancellation and Fee Refunds

3.1 Application fee is non refundable.

3.2 A student may apply for a refund of any course fees that have been pre paid under the following conditions:

i) A student may only apply for a refund if they have completed 50% or less of the enrolled course.

ii) A student has completed more than 50% of the course, no course fees are refundable.

<table>
<thead>

</tr>
</tbody>
</table>

3.3 A student may not apply for a refund of any parts of a course that have already been provided.

3.4 All refunds must be applied for in writing. Unless otherwise notified, all refunds will be made payable to the student. Notwithstanding the terms of Clause 3.6, all refunds will be paid within four (4) weeks.

3.5 Notwithstanding the terms outlined in Clause 6 below, course fees will be refunded in full by SAE Institute, in the event that:

i) A course is cancelled prior to commencement by the provider;

ii) The course does not start on the agreed date; (see clause 6.2)

iii) The course is not provided in full.

3.6 Refund terms, in the event of provider default, are covered by the provisions of the Student Fee Protection Scheme (FPS).

3.7 Non attendance of classes by the student does not constitute formal cancellation of the course.

3.8 In the event of a refund being given, the Institute will provide a written statement indicating how refunds have been calculated.

4 Course Content and Timetabling

4.1 The student acknowledges that the Institute is entitled to change the content of the program in which the student is enrolled, at any time, allowing for new topics to be introduced and inappropriate topics to be deleted.

4.2 The Institute reserves the right to alter the scheduled times and venues of the classes. In the event of changes to scheduled programs prior to the date of commencement, the student shall be notified of these changes in writing.

5 Equipment Use

5.1 The student acknowledges that during their use of the workstation(s) or studio/s he or she will be held accountable for the equipment and accessories at or within that workstation or studio. The student agrees to exercise proper and reasonable care when handling any institute equipment.

5.2 In the event that equipment is not functioning during the student’s practical session, the student agrees to notify an officer of the Institute immediately giving full details regarding the malfunction.

5.3 In the event that equipment in the workstation or studio is damaged or stolen during the student’s use, as a result of failure on his or her part to exercise reasonable care, the student agrees to pay, within twenty one (21) days, all costs relevant to replacing or repairing such equipment.

5.4 The Institute reserves the right to cancel the student’s booked practical time with reasonable cause. All attempts will be made to notify the student of such cancellation.

6 Termination by the Institute

6.1 If a student conduct is deemed to be unsatisfactory, the Manager of the Institute reserves the right to expel the student. All tuition fees are due at the time of expulsion.

6.2 The Institute reserves the right to defer or cancel a course, should enrolment numbers not exceed an acceptable minimum. In the event of such action being taken, applicants will be given written notice. At the written request of the student, monies received by the Institute in lieu of fees towards the cancelled course can be held against a future enrolment or will be refunded in terms of Clause 3 of this agreement.

7 Privacy and Student Data

7.1 Notwithstanding the provisions of Sub-Clauses 7.2, 7.3, and 7.4 below, SAE agrees to treat all student data as confidential.

7.2 Where necessary, student data may be shared with partner organisations directly involved in the administering, delivery and/or assessment of a student's program of study or the conferring of final awards relating to that program.

7.3 Student data may be communicated to Singapore Government.

7.4. SAE Institute will divulge student data where required to by law and student data may be communicated to any authority who may legally claim access to such records.

7.5. With the exception of the provisions outlined in Sub-Clauses 7.2, 7.3, and 7.4, student data will not be available to any third party without the expressed, written permission of the student. The student acknowledges, hereby, their responsibility to communicate this fact to all potentially-interested parties including, but not limited to, next of kin, parents or guardians and/or sponsors.

8 Governing Law

8.1 This agreement shall be governed by and construed in accordance with the Laws of the Singapore Government, whose courts shall have exclusive jurisdiction for the settlement of any disputes arising hereunder.

8.2 This agreement does not remove the right to take further action under Singapore’s consumer protection laws.

8.3 SAE Institute dispute resolution processes and grievance procedures do not circumscribe the student’s right to pursue other legal remedies.

9 Student Undertaking

9.1 The student agrees to have read and understood all policies described in the SAE Brochure, Registration Supplement and this Registration Agreement and to have been granted the opportunity to ask, and have answered, questions relating to the intended course of study.

9.2 This agreement and enrolment form may not be issued without the local Student Registration Supplement and "Program Costs and Commencement Dates" Document.

10 Grievances and Complaints

10.1 All students are encouraged to discuss concerns, academic progress and suggestions with SAE staff. If students are dissatisfied with the outcome of informal discussions, the formal SAE Student Grievances and Complaints Procedures must be followed. These procedures cater for the appointment of an independent mediator or other dispute resolution service in the event of a matter remaining unresolved. Full details on procedures are available on request and are provided in the Student Handbook.
