Differdange, 19th of September 2016

New line flibco.com to Baden-Airpark

flibco.com continues its expansion in Europe by opening a new line from Heidelberg to the airport of Baden Airpark with a stop in the city of Karlsruhe.

On Wednesday the 14th of September, flibco.com inaugurated its new line connecting Baden-Airpark to Heidelberg, with a stop in Karlsruhe. The new line shows the commitment of flibco.com, to optimize its service to passengers in Europe and to facilitate the access to the airport of Baden-Airpark through its 5 trips a day.

As a 100% Luxembourgish company, specialized in transfer to and from several airports, flibco.com always aims to improve and to expand its network. The inauguration of this new flibco.com line represents a major asset in the development and accessibility of the airport. flibco.com hosted last year more than 1.3 million passengers.

The regional airport of Baden-Airpark has been growing steadily over the last fifteen years, always welcoming more airlines serving a wide range of destinations, like/as Airberlin, Corendon, Eurowings, SunExpress, Ryanair, TUIfly, Wizz Air or Turkish Airlines. In addition, its special location on the German-French border is a major asset to attract more passengers.

flibco.com continues its healthy growth and provides its customers a comfortable, safe and convenient journey with stops in front of the terminal of the airports. An attractive and environmentally friendly way to get to the airport to board the famous green buses plying the highways of Luxembourg, Germany, Belgium and France.

Paul de Muynck, CEO of flibco.com: *“every day, flibco.com is improving the lives of travelers by offering services adapted to their needs. In 2015, flibco.com assured transfers to more than 1.3 million passengers. flibco.com wants to develop its offering across Europe to ensure a maximum of passengers a more enjoyable experience at airports.”*
