

## PRESS RELEASE

Differdange, 30th of September 2016

### **flibco.com connects Frankfurt Hahn Airport to Heidelberg**

**flibco.com continues its expansion in Germany by offering a new line from Heidelberg to the airport of Frankfurt Hahn with stops in the cities of Mannheim, Ludwigshafen and Alzey.**

After the recent inauguration of its new line connecting Heidelberg to the airport of Baden-Aipark, flibco.com announces now the upcoming opening of a new line from Heidelberg to the airport of Frankfurt Hahn. Whether flibco.com already served the airport of Frankfurt Hahn from Nancy, Frankfurt Main and Mainz, this new line will allow passengers to easily access the airport through its 5 trips a day.

The inauguration of this new line shows the desire of flibco.com to develop ever more its network and thus offer passengers the comfort of these transfers to many airports, explains Paul de Muynck, CEO flibco.com:

*"every day, flibco.com is improving the lives of travelers by offering services adapted to their needs. In 2015, flibco.com assured transfers to more than 1.3 million passengers. flibco.com wants to develop its offering across Europe to ensure a maximum of passengers a more enjoyable experience at airports."*

Moreover, this new flibco.com line represents a major asset in the development and accessibility of the airport, which welcomes up to 3 million passengers every year.

flibco.com, specialized in transfer to and from several airports, continues its healthy growth and provides its customers a comfortable, safe and convenient journey with stops in front of the terminal of the airports. An attractive and environmentally friendly way to get to the airport to board the famous green buses plying the highways of Luxembourg, Germany, Belgium and France.
