

## Sawday's Referral Scheme for guests - T&Cs

1. This is an opportunity for you to recommend places you think are Special (in the UK, Ireland, France, Italy, Spain, Portugal).
  2. In return we'll give you £100/€100 for each place, provided they'd like to join us and we select them.
  3. You'll need to have visited the place you are referring.
  4. The place must be completely new to Sawday's, not logged in our system already.
  5. You'll need to have mentioned Sawday's to the owner/manager of the place so they have an idea of who we are and how we operate.
  6. Please tell us why you think this property is special by filling in the form here: <https://www.sawdays.co.uk/sawdays-referral-scheme-owners>
  7. We do need to have contact details of the place and the name of the owner/manager you spoke to.
  8. Once we go ahead and the place goes live on our website, we will let you know that you can redeem your £100 finder's fee.
  9. Please invoice Sawday's your £100/€100 finder's fee and we will deposit the money into your selected bank account.
  10. The referral scheme applies to all properties that have joined from 12th April 2019.
  11. We're sorry but we can't pay the finder's fee to any properties you have referred before 12th April 2019.
  12. All information is correct at this time but may be liable to change.
