

Sawday's Group Referral Scheme for owners - T&Cs

Information correct as of 25 September 2024

1. This is an opportunity for you to recommend places you think are special, and would be a great addition to the Sawday's Group collection (Sawday's, Canopy & Stars and Paws & Stay)
2. All referrals need to be made via the form on this page:
<https://www.sawdays.co.uk/sawdays-referral-scheme-owners/>
3. For each new owner you've referred that joins our collection, you'll be offered a £120 Canopy & Stars, Paws & Stay or John Lewis voucher. Providing the owner is not already known to us.
4. You will receive a referral fee per owner, not per place. For example, if an owner has multiple places that joins the collection, you will receive one referral fee
5. A referral fee is paid per owner for the whole Sawday's Group. So, if the place is added to multiple brand collections under the Sawday's Group, you will receive one referral fee
6. The owner and place should be completely new to the Sawday's Group and not logged in our system already
7. We do need to have contact details of the place, instead you could provide a website address or a social media account. However, contact details are helpful as well
8. Once we go ahead and the place(s) goes live on our website, we will let you know that you can redeem your finder's voucher
9. The voucher will be sent to you using the contact details you supply on the finder's form
10. We're sorry but we can't pay the finder's fee to any properties you have referred before 12th April 2019
11. Referrals made before 25 September 2024 will receive a £150 John Lewis voucher, as per our previous policy
12. All information is correct at this time but may be liable to change.
