Our partners

This section is intended to provide guidance and to help you find professionals that you can trust. Our selection is based on criteria that we believe are important to you (quality of welcome, services, prices...). However, there is no such thing as zero risk. Therefore, we should not be held responsible for any issue encountered or any service that does not meet your expectations. If you are not satisfied with the work provided by any of the suppliers listed below, simply let us know as we are always striving to offer high quality services.
