

# Introducing the International Association of Accounting Professionals...

---

The IAAP is an international awarding and membership body for accounting professionals. UK based, it awards qualifications to students worldwide, plus grants IAAP members global recognition.

INTERNATIONAL ASSOCIATION  
OF ACCOUNTING PROFESSIONALS  
**IAAP**  
*Recognising higher achievement*

Are you a student aspiring to get the finest training?

Perhaps you are an accountancy professional wanting international status?

Or if you are a training centre looking to add sought-after qualifications to your course portfolio, the IAAP offers you the best-of-the-best.

## MEMBERSHIP WITH A GLOBAL REPUTATION

As an IAAP member, you can stay at the leading edge of your profession. What's more, membership is a golden opportunity to:

- Build a career doing what you love
- Boost your earning potential
- Elevate your status to 'IAAP Accounting Professional'

Even if you hold comparable qualifications awarded elsewhere, you can join the IAAP to access a wealth of support and continual professional development.

For more information on joining the IAAP, simply visit [www.accountingprofessional.org](http://www.accountingprofessional.org).

Whether you are at the start of your accountancy career, or want to add to your skill-set, these IAAP qualifications offer real prospects:

- IAAP Diploma and Certificate in Financial English for Business
- IAAP Certificates in International Financial Reporting Standards
- The HND in Financial and Business Management

With first-class qualifications under your belt, you can climb the career ladder fast...

## AN INNOVATIVE QUALIFICATION

The HND in Financial and Business Management is truly unique. Jointly developed by the IAAP and Scottish Qualifications Authority (SQA) - the national accreditation and awarding body in Scotland - it offers professionals:

- Flexible, portable online learning combined with face-to-face tuition
- A qualification offering entry into a university degree
- Free IAAP membership for the first year after qualifying

What's more, since this outstanding vocational training comes with built-in progression, it opens doors to career opportunities worldwide.

# AN OPPORTUNITY NOT TO BE MISSED FOR CENTRES

To meet the demand for vocational business skills, here is a new opportunity for training centres.

In collaboration with Opus Learning - our first approved distance learning College in Edinburgh, Scotland – training centres have the chance to run the HND course in Financial and Business Management.

Giving you all the support, content material and staff training you need to deliver this innovative qualification, your centre can hit the ground running.

In addition, Opus Learning use flexible training to teach centres how to attract a new cohort of students.

And, of course, once accredited, centres can enjoy the prestige of being backed by an internationally renowned awarding body.

To find out more about being an accredited IAAP centre, please contact the IAAP's head office.
