

# SCOTLAND HOUSE BRUSSELS – PREMIUM MEMBERSHIP

Scotland Europa is a membership-based organisation that promotes Scotland's interests across the institutions of the European Union and to the representatives of Europe's regions and Member States. We offer tailor-made membership packages, to support Scottish organisations in their EU engagement.

Together with our partners the Scottish Government, Scottish Enterprise and Scottish Development International we are Scotland House Brussels, the window to Scotland for EU and wider European and international partners in Brussels. It is a deeply integrated presence providing services to support Scotland's economic growth, diplomatic engagement and cultural promotion at the EU level.

We are pleased to be able to offer a membership package for partners to use our excellent co-working space at the heart of the Brussels European Quarter. This space is an ideal touch down area between your EU institutional and project meetings, or to host them.
