

SCOTLAND HOUSE BRUSSELS – STANDARD MEMBERSHIP

Scotland Europa is a membership-based organisation that promotes Scotland's interests across the institutions of the European Union and to the representatives of Europe's regions and Member States. We offer tailor-made membership packages, to support Scottish organisations in their EU engagement.

Together with our partners the Scottish Government, Scottish Enterprise and Scottish Development International we are Scotland House Brussels, the window to Scotland for EU and wider European and international partners in Brussels. It is a deeply integrated presence providing services to support Scotland's economic growth, diplomatic engagement and cultural promotion at the EU level.

We are pleased to be able to offer a new type of membership package for partners to utilise our recently refurbished co-working space at the heart of the Brussels European Quarter. This space could be an ideal touch down area between your EU institutional or project meetings, or to host them.

The office is easily accessible from the airport with direct links, is a short walk to many of the EU institutions and with several transport links to take you to your meetings across Brussels.
