

# Development Report

## Description

This report is a more detailed view of your development programme, grouped by project status.

It summarises all key dates, unit numbers, a comparison of budget vs latest estimate for all categories (e.g. acq, works, etc.) and out-turn loan and NPV.

Totals are provided for each status and for the programme as a whole.

## Includes information from:

*Project* ✓ *Cashflow* ✓ *Appraisal* ✓ *Workflow* *People* *Property*

## Uses the following attributes:

### Project

Project Status
