

Summary CPT Report

Description

This report provides another view of the CPT information in the Cashflow Manager.

The information is grouped by HCA region and includes more information about the project, actual spend, key dates in the cashflow, and the original unit analysis from the appraisal.

Each cashflow/allocation is presented on a single line.

Includes information from:

Project ✓ *Cashflow* ✓ *Appraisal* ✓ *Workflow* *People* *Property*

Uses the following attributes:
