

Three Year Cashflow (Hierarchical) Report

Description

This report is intended to reproduce the same information seen in the Cashflow Manager.

It can be grouped/summarised to different detail levels, for example, by account code, by code category, by cashflow, or by project.

The information is presented over the current financial year plus two years ahead.

Includes information from:

Project *Cashflow*  *Appraisal* *Workflow* *People* *Property*

Uses the following attributes:

Project **Cashflow** **People** **Property**
