

Above the cobbled streets, you can see...
Turning around the corner...
Between the beamed buildings...
Walking down the narrow alley...
In the centre of the courtyard...
Between the overhanging houses...
As you continue along the road...
In the market square...
As you walk past the...
Twenty paces further along the path...

Behind the medieval church...

Alongside the Thames...

On the banks of the river...

As you look to your left / right...

Stopping and looking around...
