Annie Lennard Nursery

I wanted to keep you updated on our school nursery. We find ourselves in a situation where numbers in our nursery are very low and we are faced with a situation where it is not financially viable to continue. We have a 26-place morning nursery and need 20 pupils to make it financially viable. In September we have 10 pupils. The following year we have 4 pupils on the list. If this number does not increase, we will not be able to run nursery from September 23.

I'm writing to make you aware of this and also to ask if you have younger children and want them to come to our nursery to please put their names down on our waiting lists. Whether this is for next year or the years after. If you have any family members or friends with young children, please make them aware of our nursery.

Although we do not offer the 30 hours you are able to split the hours between providers.

We will do all we can to secure the future of our nursery. You will see advertising posters around the local area promoting the school, we also have leaflets to give out. If you know of any local businesses or organisations that would be willing to display one of our posters please collect them from the office.
