

## Tour of London

Between the buildings ~~I can~~  
see <sup>glimpses</sup> ~~glimpses~~ of a medieval  
church, with pretty, delicate  
glass windows. ~~I can hear~~  
Golden bells <sup>can be heard</sup> ringing and  
People singing <sup>joyfully</sup>. ~~There are~~  
<sup>you will see</sup> bright green trees and ~~the~~  
Smell ~~of~~ freshly cut grass.

As you walk down the  
cobble streets, ~~I can~~ <sup>you will</sup> see  
dried pigs hanging from  
~~a~~ buildings and smoke  
<sup>belching</sup> ~~puffing~~ from a chimney.  
A smelt of <sup>stale</sup> sewage wafts  
under your nose. In the crowds  
Lamp lighters are busy lighting  
the way for people to travel
