Developing Descriptive Sentences Game

This is a game for two players. You will need a dice and two counters, and each of you will need a Boring Sentence Card.

1. Begin by placing your counters on the START HERE square.
2. Take it in turns to throw the dice, moving clockwise around the board.
3. Each player needs to change or add to their Boring Sentence, depending on the instructions on the square they land on.*
4. After three throws of the dice each, compare your new, improved sentences - whose do you think is the best?!

*If you land on an instruction that you have already completed, throw the dice again.
