Chair of Governors – Mrs Pemberton-Smith

Friday 22<sup>nd</sup> January 2021

Dear Parents

**Well we did it**, we have made it through our first week of live lessons. I cannot thank you all enough for your patience and support throughout. I know there has been some technical issues both at home and in school but on the whole, I think it has been a successful week. I have been thrilled by the number of children that have been online for each lesson and each day more and more of you are remembering to hand in your work so the teachers can mark it and give feedback. Hopefully everybody is feeling more confident in using Microsoft Teams.

If your child hasn't been online this week, for whatever reason and you need support in accessing Teams, please do not hesitate to contact us and we will help to get you online.

On the school website you will find a guide on how to use Teams, this can be found along with other information by following this link <http://www.annielennardprimary.co.uk/Class-information/Remote-Learning-Offer-Information>

From Next week, Monday 25<sup>th</sup> January all work will be on Teams, we will no longer be uploading it to the school website. If you cannot access the live lesson please do not worry each lesson is recorded and then uploaded into the assignment as a resource so children won't miss any learning.

## Attendance of Live Learning

Year Group	% of class attending live lessons (who are at home) (Some pupils are accessing the videos rather than live lessons)	Submitting work online	% of class in school (children of critical worker)	Total Attendance (both home and school combined)
1	66%	52%	33% (10)	80%
2	63%	46%	14% (4)	63%
3	88%	38%	16% (5)	90%
4	75%	55%	31% (9)	83%
5	81%	61%	16% (5)	87%
6	76%	76%	30% (9)	83%

The above figures are very promising for our first week of live learning, however figures for work being submitted is considerably lower than those attending the lessons. Work must be completed and it is essential you check that children are handing the work in. If they are struggling with how to do this there is a step by step section in the guide I referred to earlier in this lesson.

Below I have included the time tables for each year group so you have a clear guide as to what learning will be taking place each week in each class, whether they are at home or in school.

Thanks again for all your support, we have had some really positive feedback about the changes we have made to our remote learning provision.

Have a good weekend, please keep safe and well.

Mrs N Crozier

## Remote teaching and study time each day

### How long can I expect work set by the school to take my child each day?

We expect that remote education (including remote teaching and independent work) will take pupils broadly the following number of hours each day:

Key Stage 1	Year 1 Year 2	At least 3 hours a day as a minimum
Key Stage 2	Year 3 Year 4 Year 5 Year 6	At least 4 hours a day as a minimum

Below outlines a typical week in each class, there will be a mixture of both live and recorded lessons as well as time to complete the set work.

### Year 1

This is an example of a Year 1 Pupils week whether they are at home or in school.

	Monday	Tuesday	Wednesday	Thursday	Friday
9.15-9.40	Phonics Live Lesson				
9.45-10.30	Reading Time Guided/Word Checks/ Ebooks	Computing Lesson From planning	Reading Time Guided/Word Checks/ Ebooks	English Lesson & Activity Recorded	
10.30-10.45	<b>Break Time</b>				
10.50-11.20	Maths Live Lesson	Handwriting Live Lesson	Maths Live Lesson	Handwriting Live Lesson	Handwriting Live Lesson
11.20-12.00	Maths Activity	Reading Time Guided/Word Checks/ Ebooks	Maths Activity	Reading Time Guided/Word Checks/ Ebooks	Reading Time Guided/Word Checks/ Ebooks
12.00-1.00	<b>Lunch</b>
