

Geography Question Sheet

WALT: I know about physical features of coasts and how humans can impact the environment.

Name 3 physical Features of a coast:

- 1.
- 2.
- 3.

Research how humans can affect the physical features of a coast.

Use <https://www.3dgeography.co.uk/coast-pictures> to find an image on the coast and use google maps to find the modern equivalent. Write one thing that is different between the pictures, in the box below.

Look at the images of Birmingham below and write down the things that are different.

Then write down why you think these differences are there.

Birmingham 1970's

Birmingham 2020
