

We are busy making plans to commemorate Harvest with the children during the first week of October.

This year, Annie Lennard Primary School are working with Londonderry Baptist Church, Oldbury, to raise food donations for the needy in the community as well as for the local food bank.

We welcome your support and any donations will be gratefully received. These donations will then form a display in our school hall and then in LBC Oldbury for their Harvest Service, before being distributed.

Please send donations into school by

Monday 3rd October

THANK YOU!

Mrs Bavin
