

Homework

Week 12

Friday 26th November 2021

Young Voices

We are really excited that Year 3 and 4 are once again taking part in next year's Young Voices concert! In school, you will all be learning the songs that you will be singing for the performance as well as the dance moves that go with them. If you would like to practise these songs/dance moves at home then you can do so by going to the link below and typing in the password. On the portal you will find the videos we are using in school as well as copies of the song lyrics.

Password - YV2021

Reading

You are expected to read your reading books for 10 minutes each night please. When they need changing, please let us know as you will not be heard read every day. Please record what you read in your reading record. You are allowed to write in it! Thank you.

Spellings

Suspended for one week as I would like you to concentrate on singing and times tables please.

Times tables:

Please practise the tables set below and go onto TTRS as much as you can during the week. It is really important to learn your times tables and there will be a National Test in June for them. The pass rate is 100% (25/25) so we need to work hard on these.

I will be checking how much you access TTRS. Please note that the passwords have not changed. Your TTRS tables match your test below.

Year 4 beat year 3 again this week! Whoo Hoo! If we win again, there will be rewards for those who have joined in the tournament. The top three players of year 4 will get a gold card.

Group A	Group B	Group C	Group D
Please learn the following bonds: 2+2=4 3+3=6 4+4=8 5+5=10 1+1=2 6+6=12 7+7=14 8+8=16 9+9=18 10+10=20	9x tables		All tables to 14 x14 And divisions Mixed questions in test.

There will be a test on these on Friday 3rd December 2021
