

## Homework

Friday 10<sup>th</sup> September 2021

Dear Children,

Welcome back to school and to Year 4! Homework will be set each week and will consist of the following:

1. Spellings practise
2. Times table practise PLUS Times Table Rock Stars
3. Reading practise
4. Project work

### Spellings and Times Tables

Each week, please look for your group (to follow in week 2) and only practise those sets of spellings and times tables for that week. There will be a weekly test for both of these and the expected scores should be 7 or more.

You will be expected to practise on Times table rock stars in addition to your tables practise. This will be tracked by the Year 4 teachers and progress will be monitored. If you do not know your log in details, please see me or Miss Adam.

Spellings and tables will be sent in week 2 but you must start practising on TTRS this week. There are prizes for the top players. PLEASE DO NOT LET YOUR FAMILY OR FRIENDS PLAY TTRS FOR YOU. IT IS CHEATING!

### Project Work

Each half term, you will be set a theme and asked to research the theme and present what you have learned in a creative way. This could be a power point presentation, a book you have made, a piece of art or model work, a detailed poster, etc. Be creative and show me what you have learned. I expect you to do a little bit of this each week and bring it in at the end of the half term.

This half term, your project is: THE ANCIENT GREEKS.

Please find out as much as you can about the Ancient Greeks and present your findings in any creative way you can by the October half term.

Thank you,

Mrs Whitehurst and Miss Adam 😊
