

ANNIE LENNARD PRIMARY SCHOOL

VIEWING OUR EARLY YEARS
SETTING

We hope you have enjoyed seeing photos and reading messages from your teachers.

Would you like to see our classrooms?

Look out for these signs on your first day of school. These are right outside our school so when you see them that means you're here!

This is the entrance to our school and office. Your grown up might come here from time to time to speak to our office staff Mrs Sirett and Mrs Goldby-Timmis.

There is a different entrance to your classroom door. This way →

Nursery's entrance and classroom door.

Reception's entrance and classroom door.

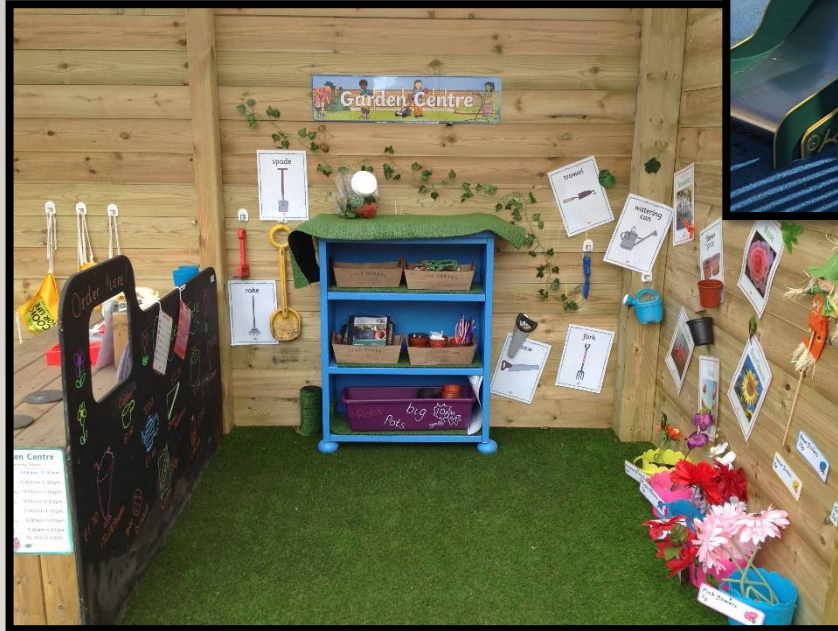

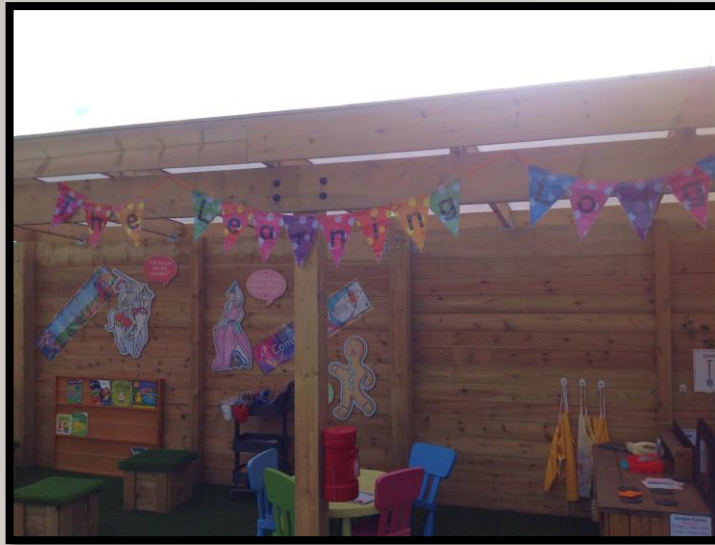

This is where you will say goodbye to your grown up in the morning and also where you will say hello to them at the end of your school day. Your teachers will stand at the door waiting for you each morning.

Here is Nursery classroom...

Here is Reception classroom...

Here is our Outdoor classroom...

We are looking forward to making your classrooms all fresh and new, ready for you to join us in September.

We hope these photos give you an idea of what to expect. 😊

STAY SAFE AND SEE YOU
SOON, FROM
THE EARLY YEARS TEAM
