Dear Parents and Carers,

Welcome to Annie Lennard Primary School!

We would like to take this opportunity to warmly welcome you to the Annie Lennard family.

Thank you for choosing us to begin your child's educational journey, we are very much looking forward to meeting them and working in partnership with yourselves. Together we will strive to ensure that your child's experiences at school are happy, successful, enjoyable and memorable.

Due to the current circumstances with Covid, we find ourselves adopting new approaches to the induction process again this year. However please be assured that we will do everything we can to support your child's transition into school. With this in mind we would like to begin the process of giving you as much information as we possibly can.

We will update you if developing guidance allows for further induction meetings and/or visits to take place for you and your child, but for now we have produced an information pack for your child. In your pack you will find information about our school, what your child can expect and information about what your child will need etc. There are also forms for you to fill out, please do so and return them to school at your earliest convenience.

You can also visit our school website www.annielennardprimary.co.uk. A tab titled 'Welcome 2021' will be opening shortly, that has been added specifically for Early Years 2021. This will allow us to share valuable information that will help to begin the induction process for your child. Once you have clicked on the tab you will find a 'Meet the Early Years Teachers' Powerpoint where each member of staff has written a little message that can be shared with your child.

We hope you find this useful and we will continue to update this area so please continue to revisit the tab.

If you require anymore information please feel free to contact us.

Once again, we are pleased to welcome you to the Annie Lennard fold and we look forward to meeting you in person very soon.

Please stay safe and well.

Kind regards and best wishes,

Mrs Bavin and The Early Years Team
