

Y3 Homework 23/10/2020

Projects

Please complete your project on either the Stone Age, Bronze Age or Iron Age. We have had some excellent work in already and we can't wait to see more! Remember it can be anything from a model of a Starr Carr or a roundhouse to just a leaflet or poster with information you have researched. The choice is yours! These are due the week we return to school for us to add to our display in the corridor for next half term.

Times Table Rock Stars

There is a new battle with Year 4 that will last from 3pm today until 6pm on Thursday 29th October. We can't let them beat us this time! Each point you score on any of the games will help towards to the whole class score. Remember that practising your times tables is important and will help you when we look at multiplication and division after half term.

Spellings

You have all been given a new spelling booklet which will also be available on the school website for you if you lose them. The test when we return will be for **WEEK 1**. Please make sure you are practising your spellings. You can do this using any of the techniques we use in class or by writing them in sentences.

Reading

Please continue to read over the holidays whenever you can. If you read to an adult then ask them to fill out your reading diaries. I will be starting book shares after half term and would love to hear about the books you have read while at home.

Finally, I would like to say thank you so much for your amazing work and effort over the last half term. You have all been fantastic and have really settled well into Year 3. I am proud of all of you! Have an excellent rest and I will see you when we return on **Monday 2nd November** 😊

Mr Smith
