**password: photocard**

(d) Type 5 or 6 sentences in French to describe it in detail. Use the vocabulary and expressions from our chatty mat, which I've included on the first tile. I have included an example with a translation into English to help you.

*Reminder: the photograph you add must be appropriate, inoffensive and should not relate in any way to anyone known personally to you, or anyone else at school. Disciplinary action will be taken against anyone who adds anything inappropriate.*

(e) Feel free to repeat steps a- d again with as many photos as you like.

**5. Take a long walk with friends or family. Describe absolutely everything you see... in FRENCH! Use PROF throughout, and why not add in a little pizazz along the way?**

**6. Watch this: <https://www.youtube.com/watch?v=DgwzvtjeYBQ> 😊😊**

**7. Optional extra: for those who want that extra bit of stretch and challenge, there are some [Reading and Listening past papers here](#), along with the audio files, mark schemes and a key vocab list. Although these are not exactly the same as the ones you will do in May, they do cover much of the same material. Feel free to have a go and let your French teacher know how you get on.**

***The deadline for all of the above is 5pm on Sunday 18<sup>th</sup> February, at which point Class Charts will be updated. Remember – if you do not have internet access at home, this work can be completed at Homework Club before school finishes on Friday.***
