GOOD DEEDS!

AMAZING ACHIEVEMENTS

Harry and Freddie held a cake sale in aid of NHS Charities. They baked chocolate cakes, flapjacks, chocolate cookies and cheesy feet biscuits. They made posters and told all of their friends, they also decided on the pricing. In total, they raised a fantastic £135 for their chosen Charities. Well done boys, an amazing achievement!

Rose ran a salad bar outside her house, selling salad, courgettes and rhubarb grown on the family allotment. She also provided cakes, biscuits and homemade lemonade as refreshments to neighbours and friends. It was a great success and raised a total of £101.00 for Warwick Food bank. Well done Rose – Another amazing achievement!

It has been such a difficult time for many people and it is so lovely to hear how our children are arranging sales to provide money for people who will be finding this situation possibly one of the worst times in their lives. So we would like to say a **huge** well done children, we are immensely proud of your amazing work and kindness!

FABULOUS NEWS

Current indications show that we will be able to have the whole school back in September. It will be very different but I think none of us will mind that as long as the children are back. We will still have 'Bubbles' with staggered playtimes. Once the guidelines have been verified by the Government and the Local Authority we will send you a copy of the Risk Assessment. Life has changed for everyone and school is adapting and working hard to keep the children and staff safe within the ever-changing guidelines that are becoming the new norm.
