CHRISTMAS JUMPER DAY!

CHRISTMAS JUMPER DAY

There is a lovely buzz around school and it was wonderful to see everyone in their Christmas jumpers on Thursday 10th December. On Friday at 2.00pm the whole school watched the Christingle Service at Coventry Cathedral via Teams.

ELECTRIC GATES

For a long time we have wanted a more secure set of gates at the front of the school. We were due to have them in the spring and then Covid came and they were no longer a priority. However, we have finally managed to source funding and find a company to supply and fit them. We would like to say a huge thank you to the Trustees of the school for giving us the money to purchase the gates.

FOOD BANK

Thank you to everyone who provided food for the Foodbank. A food bank is a non-profit organization that collects and distributes food to hunger-relief charities. Food banks act as food storage and distribution depots for smaller front line agencies. The food bank volunteer was absolutely overwhelmed with the generosity from the staff and families at Barford. Thank you so much!
