FISH AND CHIPS IN A BAG!

LUNCH BOXES REINSTATED

Every week the Senior Leadership Team reviews the Covid systems we have in place to see whether they can begin to be relaxed. This week the children have been able to use lunch boxes again.

Disposable lunch bags are still very welcome as they tend to be easier to store and it reduces the amount of items being transferred from home to school.

We are working very hard to keep school a safe place so we can remain open. Already 339 schools across England and Wales have closed or partially closed and we want to avoid this. Every decision we make is taking longer than usual as we need to ensure it is the correct way to move forward. This week we are looking at school dinners, as we are conscious that the weather will be getting cooler. I have spoken to 'Educaterers' and they are going to introduce fish and chips in a bag every Friday starting on Friday 25th September. I am also in negotiations to start hot dinners in the hall when the time is right.

PARENT CONSULTATIONS

It is unlikely that we can hold face to face Parents' Evenings in school this half term. Therefore, we will be contacting all families to arrange a telephone consultation. This will allow you to discuss with your child's teacher what you would normally want to know at this time of year. The consultations will take place over a two-week period, w/c 12th and 19th October, and further details will be provided shortly.

READING BOOKS

Book change will be every Monday. Please bring books into school by hand, they don't need to be in a bag. If you prefer to bring them to school in a carrier bag that can be taken home, that is fine. As with the lunch boxes we are trying to restrict as many items being transferred from home to school. Thank you for your continued support.

Stars
of the
week!

STARS OF THE WEEK

- James Heap for a wonderful start back to school, for always coming into school positively and putting 100% effort into all of his work.
- Albie H - for super progress in his reading and always trying his hardest in his work.
- Belle R - for super writing this week including a wonderful creation of a character. Belle is working hard at being more independent.
- Noah R for fantastic listening and carefully following instructions and showing great organisation in class. He's always ready to go!
- Lucas Smith for excellent contributions to the whole class parts of our lessons and offering really thoughtful ideas.
- Noah H and George for a terrific attitude to all their learning last week, but especially in their English work.
- Dylan - for amazing improvements to his extended writing
- Luca - for great progress with his handwriting
- Tallulah - for her amazing independent maths work!
- Austin - for his wonderful, enthusiastic attitude to learning!
- Rowan for accurate map reading work and presenting findings neatly.
- Imogen for writing a wonderful, thoughtful letter to a special person in 'her World'.
- Reception for settling so well in their first full week. They have been superstars.

GLORIOUS WEATHER

The children are enjoying the glorious weather and devising lots of games to keep safe and have fun!

VALUE

This term our Collective Worship Value is 'Creativity'.
Be careful how you think; your life is shaped by your thoughts. - Proverbs 4:23
