Every half term we change our Value and this term it is Peace. Our Values feed through everything we do in school and our aim is for the children to adopt these Values in their own lives, which they do. They constantly make us very proud with their acts of kindness to others.

OUR VISION STATEMENT

'We strive for excellent standards by harnessing the potential of every one of our children in a stimulating environment which lays 'Foundations for life and skills for the future'.

BARFORD ST PETER'S SCHOOL TRUST - VACANCY

We are looking for a person to join the Trust, its primary role is to support the school financially using funds from the management of two properties.

The board of trustees is made up from members of the local community. We are keen to maintain day-to-day links with the school and feel that having a current parent/carer on the trust would be a great help.

If you would like to become involved with this rewarding charity and contribute towards the enhancement of the education of Barford's pupils in a very positive way please contact the secretary, Mrs Helen Clay, on 01926 624028 or email helen.oakframe@btinternet.com for further information by the end of November 2020
