## FISH AND CHIPS IN A BAG!

### SCHOOL COUNCIL

It is more important than ever that we have a School Council to represent the Pupil voice. Therefore, elections will take place in each Bubble. If your child is in KS2 and would like to be a member of the School Council the speeches will be held in class during the week beginning Monday 28th September. The children do an amazing job representing the pupil voice and are responsible for the many charities we support and special events we hold. This year we have decided that the school councillors will wear a special hoodie so everyone knows who they are and what a special job they do around school. They will also work closely with the Well-Being Ambassadors.

### WELL-BEING AMBASSADOR

Mrs Carson has chosen four children to be Well-Being Ambassadors to be outstanding role models around school and to help other children by listening to problems and helping to restore friendships when people have a falling out. They will also lead games for children who might not have anyone to play with and try to ensure that everyone is happy in school. Once they have completed their induction they will be recognised easily as they will have the option to wear bright yellow t- shirts.

Stars of  
the  
week!

### CURRICULUM

If your child is absent due to COVID related issues they will need to complete work at home each day they are absent from school.

The recommended work are the lessons provided by Oak National Academy - a website designed to provide online schooling. Each lesson on Oak Academy contains a video led by a teacher, who will guide your child through the lesson content.

However, this will change if we need to send large groups of students home or if we go into Lockdown. We are currently in the process of updating the website, so all information can be found on the Covid section.
