## DAD'S BUILD BENCHES

### SCHOOL COUNCIL RESULTS

It is more important than ever that we have a School Council to represent the Pupil voice. Elections have taken place in each Bubble and we can now announce our new representatives: Immy H, Jack R, Sophie B, Amelie O, Austin, Sophie R, Maisie, George M

### LUNCHTIME BENCHES

We want to say a huge thank you to Victoria Stokes and Mark Trimble, part of our FABS committee, for arranging a team of our dads to build our new picnic benches. They look absolutely wonderful, thank you for your time and effort!

### YEAR 1 TO BE COLLECTED FROM THE FRONT PLAYGROUND

As part of our weekly Covid Review Year 1 are to be collected from the front playground at 3.00pm, instead of the back field. As the colder and wetter weather approaches, we thought it would become difficult for families with buggies.

### RECEPTION PARENTS READING MEETING

Usually at this time of year, we would be holding the New Reception Parents reading meeting. Due to Covid we have put the information on the website so parents can read it at their leisure. It is on the home page under the link Covid 19.

### CHANGES TO THE SCHOOL WEBSITE

We have made a few changes to the school website. On the home page, there is a direct link to any information related to Covid 19 issues. This includes information regarding the Oak Academy Curriculum for pupils absent from school due to Covid related issues.

### STARS OF THE WEEK

- Reggie - For a wonderful picture of a cat that he did independently at the graphics table.
- Yuna- for really persevering to complete her very glittery picture of a princess!
- Thomas K – for a super invention of a doorbell during Forest School and Leila – for always challenging herself to achieve her utmost best in all her work
- Oliver H, Benjamin F, Phoebe C and Georgia C for fantastic fact files on Hedgehogs. They presented beautifully, using sentences with facts and pictures.
- Claudia for always showing wonderful behaviour and compassion in class, especially when she sees someone struggling with their work.
- Grace for showing a terrific attitude towards improving her spellings and she has already started showing fantastic results!
- Neo and Luca for knowing all of their timetables up to 12 x 12 (inside out, upside down and back to front). An excellent example to the whole school. Amazing!
- Bobbie and Reuben - For their excellent enthusiasm and dedication to the skipping at lunchtimes and for their wonderful return to school - they are both maturing into upper KS2, Y5 boys and it is brilliant to see.
- Elliot & Olivia - for amazing focus and support of one another in all lessons this week.

### SPECTACULAR SKIPPERS

Year 5 skippers have set a challenge of how many skips they can do playing 'follow on' without stopping. By Thursday lunch time they had achieved a wonderful 131.

### RECEPTION

Reception have settled amazingly well into school life. They really enjoy getting outside and the Mud Kitchen is a particular favourite. Well done children!
