February

Friday 31st January 2020

HOUSE CAPTAINS

"Start children off on the way they should go and even when they are old, they will not turn from it".
Proverbs 22:6

HOUSE CAPTAINS

This half term we have been working hard to make lunch times really enjoyable. Our Fabulous House Captains have been organising games on a rota. They are doing a wonderful job and we are immensely proud of them. Well done House Captains.

SCOOTERS AND BICYCLES

It is lovely to see children active and riding bikes and scooters. However, as the playground is very busy children are not permitted to ride them on school premises at any time. Please ensure your child dismounts and pushes their bicycle/scooter whilst on school grounds. If your child rides a bicycle or scooter to school please apply for a cycle permit from the school office.

SAFER INTERNET DAY

On Wednesday 29th January Mrs Smith held an assembly to remind the children about keeping safe online. Each year in the UK, we use Safer Internet Day to explore a new area or theme that is important to the young people we work with every day. This year we are exploring whether young people feel free to be themselves online. We will explore how young people manage their online identity, and how the internet shapes how they think of themselves and others. We always remind the children not to give out any personal information and explain how important it is to keep themselves safe at all times!

FABS DISCO

The next school disco is **Wednesday 12th February**. Timings for each event are as follows:

Reception & KS1: 4.30- 5.15pm

KS2: 5.30 - 6.30pm

Please let FABS know if you are able to help. There is a rota to sign outside the school office.

STAY AND PLAY

Reception and Pre-School will be holding a joint Stay and Play session at 2.15pm on **Monday 10th February**. The children always look forward to sharing their experiences with their parents. If parents can't attend due to work commitments it is just as enjoyable to see grandparents.

REVEREND ANDY

On **Monday 3rd February** at 7.30pm Andy Larkin will be having his Licensing service in St. Peter ad Vincula Church in Hampton Lucy. This service marks the beginning of a new phase of ministry, both for Rev. Andy and the people of the six communities he will serve. It is a joyful moment and one to which all come with a high sense of anticipation of God's blessing on the years ahead. Please come and join us on this very special occasion!

WINTER WEATHER

In the event of school closure we will contact Warwickshire County Council in the first instance. Please sign up to the Council notification system to receive a text message notifying of closure.

(<http://www.warwickshire.gov.uk/schoolclosures>).

We will also put the information regarding the closure on the school website.

SCHOOL VALUES

Every half term we have a new value on which we base our teaching and is the theme during assembly. This term our school value is 'Perseverance'.
