Friday 20th July 2018

Dear Parents/Carers,

I am very pleased to announce that the school has been allocated funding in order to extend our school kitchen. This is very exciting for Barford as our numbers are increasing and the current arrangement is no longer sufficient to cater for the numbers of dinners we provide each week. We have one of the highest take up of dinners in the whole of Warwickshire, which is a credit to our kitchen staff and the wonderful work they do.

The building company that the Local Authority procured has only just given us a start date for the work this week, in fact late Thursday. Negotiation for the final costings has taken far longer than anyone expected. The good news is the building work will begin on the 6th August but it will unfortunately run over into the autumn term. The estimated completion date is autumn half term.

This means that when we return in September the kitchen will be out of action. However, I have arranged for a cold, buffet style lunch to be available for all who require one. We appreciate your understanding and if you require any additional information please feel free to contact me.

Kind regards

Annette Delaney
