Dear Parents,

Pre-School staff would like to start by saying a massive well done to all the children for settling so well! The children have already formed bonds with their key person and have even started to form friendships with each other.

During this half term our theme is 'Me and my friends'. During circle time we will be talking to the children about what we do at Pre-School and how we can look after each other. We also will be discussing how we keep safe e.g. during a fire. We also talk about British values which will encourage children to respect others, use manners and encourage them to value each other's opinions and values and realise that their views also count. Also, British Values is based on celebrating and respecting other cultures celebrations and religions as well as our own.

We have also introduced our daily phonics sessions, during this week we will be doing a lot of jolly phonics during circle time. We will be focusing on one sound a week.

We also will be focusing on a bible story every month, the story for this month is 'The Lost Sheep.' We will share this story each day and focus some of our activities around the story.
